Kyiv, str. Dobrohotova 7A

Dear Professor Boshitcky,

The Ukrainian American Bar Association welcomes the opportunity to extend a greeting to the Kyiv University of Law of the National Academy of Sciences of Ukraine on your 15th Anniversary.

Since its inception in 1995, the Kyiv University School of Law has committed itself to helping young Ukrainian students recognize the importance of the rule of law and become an effective part of the judicial system. Through the hard work of the University faculty and its leadership, the quality of jurists and the legal field has increased. We particularly commend the University for opening the doors of opportunities for students to work with our members and Ukrainian jurists throughout the world.

The Memorandum Of Understanding between Kyiv University of Law and our organization will enrich both our institutions, and contribute to the legal profession's realization of truth, justice and democracy.

Your commitment to the legal profession and promoting the continuing exchange of ideas and experiences among the Ukrainian lawyers around the world have already immeasurably strengthened the networks between the legal institutions of our countries. We applaud your efforts.

On behalf of our Bar Association, we congratulate you and wish you well in all of your future endeavors, and we look forward to seeing you all at our convention.

Very Truly Yours,

George Pazuniak
President
